## **Resurfacing Project on I-55 N. Frontage Road in Darien**

**CHICAGO** – The Illinois Department of Transportation (IDOT) announced that daily, intermittent lane closures will take place on the Interstate 55 North Frontage Road from Lemont Road to Cass Avenue, in Darien, beginning, weather permitting, Monday, September 26. The closures are necessary for a resurfacing project.

In order to complete the work, intermittent lane closures will take place on the I-55 N. Frontage Road between Lemont Road and Cass Avenue. The closures will take place during daytime hours and reopen to traffic in the evening.

The scope of the project includes resurfacing on N. Frontage Road from Lemont Road to Cass Avenue. The project also includes curb and gutter replacement, drainage improvements and updated pedestrian ramps to comply with the Americans with Disabilities Act between Cass Avenue and Oldfield Road.

The project is anticipated to be completed in Fall 2016.

Motorists can expect delays and should allow extra time for trips through this area. Drivers are urged to pay close attention to flaggers and signs in the work zones, obey the posted speed limits and be on the alert for workers and equipment.
